Scholar Alert: New citations

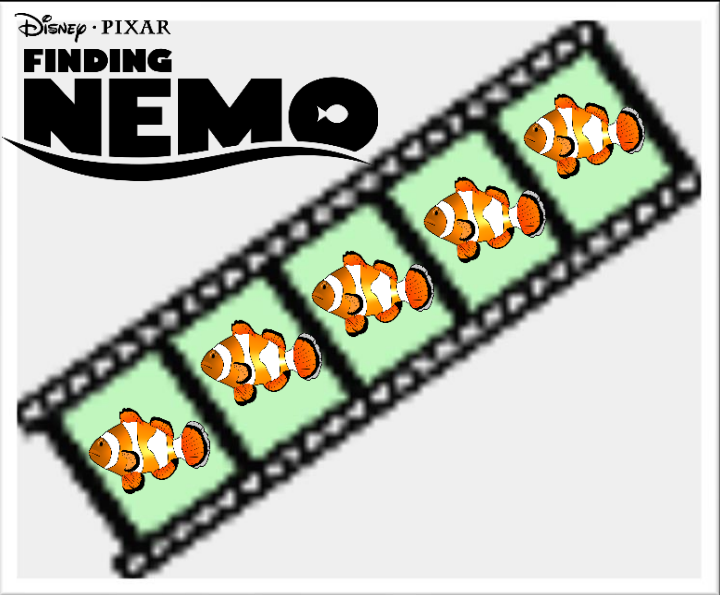

[\[PDF\] Interactive Data Integration and Entity Resolution for Exploratory Visual Data Analytics](#)
K Morton - 2016

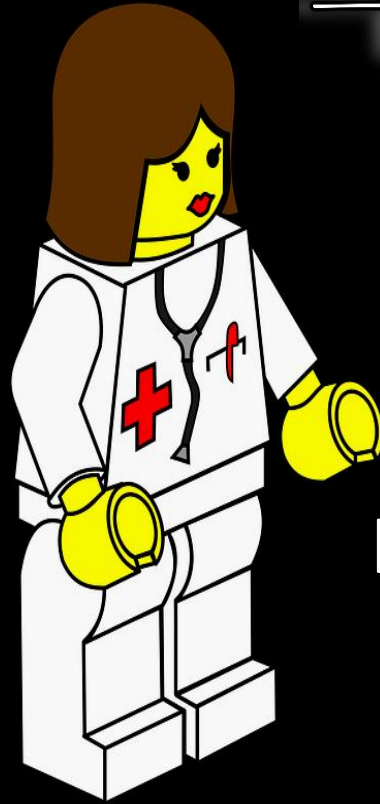

Data has become more widely available to the public for consumption, for example, through the Web and the recent "Open Data" movement. An emerging cohort of users, called Data Enthusiasts, want to analyze this data, but have limited technical or data science expertise ...

That doesn't
sound right.

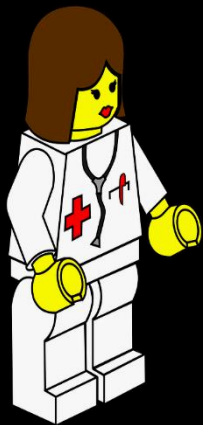

Why?

He is 130.

He is not 130.
He is 30.
